GRANT PROPOSAL

The Northeast Mission Business Association, NEMBA, represents the best interests of businesses in the area bounded by Capp Street, 13th Street, Potrero Avenue and 20th Street. Our mission is to attract, develop, support, and retain businesses in our area. The greater our numbers, the stronger our voice and influence are at City Hall. Your participation and membership are vital to the success of these efforts.

GRANT PROPOSAL

With this Grant we propose to install a series of neighborhood plaques or wayfinding signs to highlight this neighborhood's rich history as told through its many beautiful warehouses and other historical structures, along with the neighborhood's many successful businesses and event locations.
